Letter dated 28 August 2006 from the Secretary-General addressed to the President of the Security Council

I have the honour to refer to my letter of 7 August 2006 (S/2006/624) informing the Security Council that I have reappointed four members of the Group of Experts on the Democratic Republic of the Congo, as requested by the Council in its resolution 1698 (2006), and noting that a fifth expert would be proposed shortly.

In this connection, I should like to inform you that, in consultation with the Security Council Committee established pursuant to resolution 1533 (2004) concerning the Democratic Republic of the Congo, I have appointed the following arms expert for an initial period until 31 December 2006: David Huxford (United Kingdom of Great Britain and Northern Ireland).

I should be grateful if you would bring this information to the attention of the members of the Security Council.
